Dear Adv de Waal

LASA'S FALSE PAIA SECTION 32 REPORT FOR 2014/15

As requested in my letter to you of 19 June, that Legal Aid South Africa's repeated illegal refusal to comply with my PAIA requests be referred to a senior investigator in your national office, please pass on to such an investigator this enclosed complaint about LASA's false PAIA section 32 report to the SAHRC for 2014/15 for the misinformation and misleading of the National Assembly in turn.

I've taken the liberty of approaching you directly in this matter because you're the only member of the Public Protector's office who's ever shown any interest in LASA's contempt for PAIA. My every serious repeated complaint and appeal to the Public Protector for support since early 2011 has basically been dropped into 'File 13'.

I look forward to your or your senior investigator's acknowledgment and reference number.

Please look into why my complaint in May about the SAHRC's own failure to comply with PAIA; its perjurious section 23 affidavit; and its failure to respond to repeated correspondence about this has gone unacknowledged. I enclose an extra copy.

Yours sincerely

ADV ANTHONY BRINK
