Dear Mr Moreno-Ocampo

Media Complicity in Genocide: the Case of the *Mail&Guardian*

I enclose for your information a copy of an evenly dated letter to Mr Trevor Ncube, CEO of the Johannesburg *Mail&Guardian*, concerning (a) the newspaper's coverage of our criminal complaint against Treatment Action Campaign leader Zackie Achmat lodged at your offices last month, and (b) Mr Ncube's directorate and editor's declared policy of promoting the administration of AZT and other so-called antiretroviral drugs to the African poor in South Africa. Copies of the main documents referred to in the letter are also enclosed.

The information provided in the letter, and in the documents to which it refers, will assist you to evaluate the complaint.

Yours faithfully

A handwritten signature in black ink, appearing to be 'A. Brink', with a large, stylized 'A' and 'B'.
